My name is: Unit:

_____

and I am swimming laps as part of a 2011 summer camp swim-a-thon to raise valuable funds for The Mickey's Kids Charitable Organization.

As well as motivating me to participate in this event, your support will help make the camping experience more widely available to children in need. You donations will help our *Mickey's Kids* by directly providing tuition assistance and enabling them to participate in the "magic" of summer camp. If you would like more information about Mickey's Kids, please visit: www.mickeyskids.org.

Donors may choose to pledge a lump sum, and/or an amount for each lap completed. If using the " $ per lap method", we do suggest at least a .50/per lap donation. Also, donors may choose to limit their donation to a maximum amount.
